

IMG ACADEMY MASTER PLAN

📍 IMG Academy | Bradenton, Florida

PROJECT OVERVIEW

As the premiere multisport boarding school in the United States, IMG Academy houses more than 1,000 students from more than 80 different countries. IMG Academy hired Fawley Bryant Architecture (FBA) to design a Master Plan for their 500 acre campus. The campus design, divided between East and West, features state-of-the-art academic and athletic training facilities, as well as residence halls. The West Campus design, with buildings followed through to completion by the FBA team, includes the Academic Building, Campus Center, Performance and Sports Science Center, along with Gatorade Sports Science Institute, the Baseball Complex, Multi-Sport Complex, Press Box, Fieldhouse, and Team Business Building. The campus also includes 3 Residence Halls. Moving into the East Campus is IMG Academy's court sports facilities including Prince Tennis Center and Wellness Spa.
