

NALANDA COMMUNITY CLUBHOUSE

 Parrish, Florida

PROJECT OVERVIEW

This Mediterranean-style, 7,000 sq.ft. clubhouse, with a resort style pool, compliments the 30 acre upscale retirement community serving 84 single family homes located in Manatee County. The clubhouse offers an expansive dining room that accommodates 165 people with an adjoining bar and theater room, as well as a community fitness center. Outdoor amenities include a pool, Jacuzzi, pickle ball court, fire pit, and an open air event space. A covered veranda connects to walking paths that guide residents through a small Zen garden and to a gazebo located at the end of a dock.
