

SARASOTA NATIONAL CLUBHOUSE

📍 Venice, Florida

PROJECT OVERVIEW

The Mediterranean-style 25,859 sq.ft. complex features a main clubhouse, state-of-the-art fitness center, resort style pool, extensive al fresco patios and a "19th Hole" golf grill and lounge. Winning a 2016 Grand Aurora award, the design captures old Florida aesthetic and creates an intimate and comfortable atmosphere. The main clubhouse building offers a library, coffee café and an expansive dining room that can accommodate 150 people with an adjoining bar and lounge area. Outside the main clubhouse, members will find a whitecolumned open pergola with paths leading to the fitness center and golf clubhouse with a pub, card rooms, and locker facilities. The fitness center includes a cardio fitness area, spa treatment rooms, group fitness rooms, and men's and women's locker rooms. The outdoor amenities include a new pool with lap lanes and poolside tiki bar, pickleball courts, tennis courts, bocce ball, a playground and an 8,000 sq.ft. lawn for events.
